

Franciscan Solidarity Tables

of the Franciscan Action Network

**Rooted in the Franciscan Tradition
&
Engaging in the Public Sphere**

Who can join?

All are welcome who desire to foster a Franciscan way of living in the world today.

Why get involved?

Engage in community with others who, like you, desire to connect the stirrings in your minds and hearts with situations and events happening in society, moving toward faith-filled action that seeks change at the root of the issues.

What am I going to do?

Together with the members of your Table, you will

- * Build relationships in the spirit of Franciscan hospitality and advocacy

- * Collectively determine local initiatives
- * Help restore right relationships through justice and peace-building

Franciscan Action Network accompanies all Franciscan Solidarity Tables on their journeys of :

- * caring for creation
- * eradicating poverty
- * promoting peace
- * building the Kingdom of God where everyone's human rights are protected and fulfilled

“As followers of Christ, we cannot fail to be concerned for the welfare of the weakest; we must also draw the attention of society and the civil authorities to their plight.”

~ Pope Francis
