

# ABOUT US

## Mission Statement

Inspired by the Gospel of Jesus and the examples of Saints Francis and Clare of Assisi, the Franciscan Action Network (FAN) is a collective Franciscan voice seeking to transform United States public policy related to peace making, care for creation, poverty, and human rights.

## Advocacy Statement

The Franciscan Action Network (FAN) sees the interconnectedness of all creation and humanity as rooted in God's loving design. FAN brings a Franciscan voice to public policy debates through active advocacy on critical issues including climate, racial justice, poverty, immigration, gun violence, democracy, peace, and respect for human life through all stages.

# WORKING TO TRANSFORM HEARTS

## Advocate for depolarizing, re-humanizing dialogue

Drawing on the long Franciscan tradition of peace building, FAN sponsors discussions across political, social, and religious divides to engender mutual understanding, respect, and peaceful resolution of differences.

## Join a Franciscan Justice Circle near you

While continuing our longtime policy advocacy work, FAN is currently expanding its Franciscan Justice Circles across the country to help Franciscan-hearted people connect so they can grow spiritually and translate their values into action for justice.
